

# EngagedMD Informed Consent & Educational Modules

---

Your medical team has assigned you an online educational module, which outlines everything you need to know in order to make informed decisions about your treatment. The program is intended to enable you to learn about the many aspects of your treatment plan at your own pace and in the comfort of home, so that you can discuss the procedure in detail with your medical team before finalizing your consent decisions.

## NEXT STEPS

1. You'll soon receive an email from "Shady Grove Fertility" with a link to the EngagedMD patient learning center.
  - *If you do not receive this email, check your spam folder and then contact your medical team.*
2. Click the link in the email to set your password.
  - *The website is secure and encrypted, so you can be sure your healthcare information is protected.*
3. Log into the program.
  - *Your user name will always be your email address, and you can always log in at <https://sgf.engagedmd.com>.*
4. Completion of the assigned module(s) is due by your next appointment or as directed by your medical team. Please don't hesitate to reach out to us with any questions!
  - *You don't have to finish the entire module in one sitting – your progress will be saved every time you log out!*
